

Accessibility

Stannah Stairlifts has made a commitment to make this website accessible to all. Below are some of the features we've implemented to help everyone interact with our site equally:

Resizing Text

Users have the flexibility to resize the text as they wish. The method for doing this varies from browser to browser. Please follow the links below for up-to-date instructions on how to do this on your browser:

- [Internet Explorer 11](#)
- [Firefox](#)
- [Chrome](#)

Video

Featured videos on site are also provided with a text transcript.

Sitemap

To simply navigate through our website, there is a link to the [sitemap](#) at the bottom of every page that can help you assist you around the site.

Further information

To find out more about accessibility issues please visit the [Web Accessibility Initiative](#). Please note that clicking on the links or logos will open a new browser window.

PDFs

If you would like to read a PDF document with a screen reader, please visit the [Access Adobe](#) website.
